## A FAIR WARNING

One That Should Be Heeded by Alma Residents.

Frequently the first sign of kidney trouble is a slight ache or pain in the back. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. 'Tis well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this locality place reliance in Doan's Kidney Pills. The tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:

Bert Hagerman, farmer and painter, R. F. D. No. 2, Elwell, Mich., says: "I seemed to have all the symptoms of kidney trouble. I think that handling turpentine was what caused it. The kidney secretions were unnatural and irregular in passage. I suffered from severe attacks of backache and I had sharp pains in the small of my back. Finally I used Doan's Kidney Pills and they cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hagerman had. Foster-Milburn Co., Props., Buffalo, N. Y.
